🕵️eXplanation : Plug your toaster into an electricity source. Then turn on your toaster at a relatively high power. Afterwards, take your cigarette and rub it on the hot, red surface while making circles. Until you see smoke coming out of your cigarette. Repeat the operation until your cigarette is fully lit. Do not hesitate to smoke your cigarette to light your cigarette more easily, you can repeat that too.

ℹ️Electric source for the toaster. Difficult in an outdoor environment ...

⚠️Check before if your toaster is not faulty.

⚠️Pay attention to electricity.

⚠️Do not use any liquid or metal objects if you can not reach the hot surface of your toaster with your hand ... Drop it. Your toaster just does not adaper.

⚠️Do not forget to clean the toaster afterwards.
